Last Name) _____ First Name) _____

All high school students are scheduled for a full day schedule of 9 periods, including Physical Education, Health, and a Lunch period. **You are required to select three (3) alternate electives in case of a scheduling conflict of course cancellation.** Every effort is made to accommodate your elective requests, however there is no guarantee that you will receive that course.

For every one semester class selected, you must select an additional one semester class to fill your schedule. Be sure you meet the required prerequisites for your course selections.
